

## EBRD welcomes Istanbul as the 47th member of EBRD Green Cities urban sustainability programme

### Description

EBRD announces that Istanbul, the largest city in Turkey and connecting Europe and Asia, has joined its flagship EBRD Green Cities urban sustainability programme. The EBRD President welcomed Europe's largest metropolis into the Green Cities family. She said: "The EBRD's Green Cities programme offers a pioneering vision of how we can reimagine and reshape the cities we live in, and build a better and more sustainable future for us all. The EBRD is already financing two metro lines that keep Istanbul on the move, and we are ready to fund more improvements to public transport and other areas of city life."
