

EuropaBio Newsletter: EuropaBio Event: Towards A Healthy & Sustainable Recovery; Cell-Based Medicine; Bioeconomy role in European economy & More

Description

Join us for this year's European Biotech Week flagship event. This virtual event, co-hosted by Juozas Olekas, MEP & Maria Spyraiki, MEP, will center on the future role of the life sciences and biotechnology sector in Europe, manifested in EuropaBio's vision document 'Unleashing the full potential of life sciences and biotechnology in Europe', which will be presented at the event.
