

Financing sustainable cocoa: solutions for Côte d'Ivoire smallholders | EU REDD Facility

Description

Story Financing sustainable cocoa: solutions for Côte d'Ivoire smallholders Related content When you buy a chocolate bar, it's quite likely that the cocoa in it came from Côte d'Ivoire, the world's top producer. If so, it is almost certain that the cocoa plants were grown where dense rainforest once stood. Expansion of cocoa production into new areas is amongst the main drivers of deforestation in Côte d'Ivoire.
