

## London forum to tackle sustainability in wine

### Description

Tam will be speaking at an event in London designed to highlight how sustainability can be put into practice in the wine industry. Find out more, and see Tam's long article on the topic, republished free today. The Future of Wine Forum takes place all day on 4 November in London at The Conduit Club. Leading winemakers, retailers and industry executives will come together for a one-day business meeting to discuss why and how sustainability matters in wine
