

## PA Environment Digest Blog: SEEDS, Northern Poconos Chamber Name Highlights Foundation 2022 Green Business Of The Year In NE PA

### Description

On January 30, the Sustainable Energy Education & Development Support of Northeastern PA and the Chamber of the Northern Poconos announced The Highlights Foundation in Boyds Mills, Wayne County has been awarded the 2022 Green Business of the Year Award. In 2019, Highlights Foundation adopted an Energy Mission Statement, which was “to lead the way in a transition to net positive energy usage at Boyds Mills by end of 2021 via creation of an energy management plan and its implementation, while providing educational opportunities to those who are touched by this property.”
