

Siamo partners with BMRA to support metal recycling industry | Siamo Group

Description

default watermark

The metal recycling industry is growing, and it's a race for recycling companies to get the right candidates learning the ropes of this niche sector. In today's market, there are roughly ten jobs for every individual candidate actively seeking work, making specialist support a must for most businesses. Our technical sector specialist, Danielle (Dani) Bonnelykke, will lead the partnership, with BMRA focusing on waste management recruitment solutions and offering discounted rates to member companies.
