

Sustainability collection on [Trekinn.com](https://trekkinn.com)

Description

Sustainability is a matter close to the heart for an outdoor shop like Trekinn. Spending time in nature teaches us the importance of taking care of the world around us. Therefore, Trekinn takes responsibility for their part by creating more awareness towards sustainability on the website. In this way, we hope to help other outdoor enthusiasts make a more sustainable choice when shopping for new gear.
