

Universities need to build partnerships to close SDG gaps

### Description

## SUSTAINABLE DEVELOPMENT GOALS

Universities have an important role to play in achieving the Sustainable Development Goals (SDGs) by 2030, but with major gaps in progress, institutions need to build partnerships, including in research, regionally, with industry and with the community, a regional Asian policy dialogue on higher education and the SDGs has heard. The policy dialogue on the contribution of higher education partnerships towards achieving the SDGs, held from 29-31 March in Bangkok, Thailand, was organised by the European Union's Support to Higher Education in the ASEAN Region (EU-SHARE) programme.
