Masaya is the Tagalog word for happy, Masaya Cup – Happy Cup ? Why Happy Cup? We are coffee lovers, we bring our coffee anywhere with us. But that comes with a price, huge amounts of garbage are produced because of disposable cups. You might think it is just a cup per day, but unfortunately, 8 billion people think that way. Masaya Cup lets you bring your favorite hot drink anywhere you go without a bad feeling about the environmental

impact you are creating.
